

**Inclement Weather Plan  
Western Brown High School  
Division III Boys Basketball Sectional Tournament  
2017-2018**

**Snow Emergency**

In the event that a level 2 or 3 snow emergency is in effect in Brown County, all tournament games will be canceled and rescheduled when the snow emergency is lifted. In the event that a level 2 or 3 snow emergency is in effect in the county, city or township of a tournament participant, that participant's tournament game will be postponed and rescheduled. Tournament games may still be played by participants whose residential county, township or city does not have a snow emergency.

**School Cancellation**

In the event that Western Brown High School classes are canceled due to a weather emergency, but there is no snow emergency, there will be a decision made by noon of that day if the tournament games/matches can be played or not. That decision will be based on road and weather conditions and input from principals and athletic directors. Western Brown High School's policy is to play high school athletic contests if possible when school is canceled.

If a participant's school has canceled classes due to inclement weather, but there is no snow emergency, we will attempt to play the game if possible. However, if your school policy is to not play any athletic contests on days in which school is canceled, we will honor that policy and reschedule the game. Hopefully, school authorities will take into account the small window of time available for us to complete the tournament.

**Alternate Tournament Dates**

If inclement weather cancels tournament games, the following dates may be used:  
February 26 and March 1, 2, 2018

**Notification**

All schools will be required to fill out an emergency notification sheet which will list home and cell phone numbers as well as the e-mail addresses of the principal, athletic director and head coach. This will be submitted to Tim Cook, tournament manager, by e-mail when requested.

All tournament information will be posted on the Southwest District website @ ([www.swdab.org](http://www.swdab.org)).
