

**COACHES, PLEASE NOTE**

Students and coaches may buy from the restaurant, sandwiches, etc.... or there is a special meal available for \$5.00 per ticket. Each school must reserve the meals in advance:

Hamburger  
Bag of Chips  
Cookie  
Drink

Call the golf course at (937) 678-4422 to reserve the meals. There is ample seating, but remember when it is time for the crossover, the players must move on, no lingering in the clubhouse.

Green fees for the practice rounds are:

\$15.00 for 18 holes  
\$9.00 for 9 holes

Beechwood welcomes the coach of each school to play practices rounds with the team at no charge. However, no coach will be permitted to play during the sectionals.

It is being requested for coaches to be forcaddies this year. A cart will be provided for each coach and taking turns of forecaddying will expedite the speed of play.

Range Balls  
\$3.50 during practice rounds  
\$2.00 during sectional play
